ANNOUNCING THE HHIPC MONA HUFF CARNEGIE HALL RECITAL FUND!

For the past twelve years, Mona Huff has served as the face, heart, and soul of the Hilton Head International Piano Competition. While others preceded her and worked alongside her—each making their own important contributions—Mona has nurtured, in her unique and passionate way, the HHIPC, bringing it to the glorious and iconic annual event it currently is.

In consultation with HHIPC Committee and HHSO Board members, past HHIPC leaders, and Mona’s family, we have determined a very special way to honor Mona.

We are looking to raise \$175,000 to establish a permanent fund that will support the triennial Carnegie Hall recital for the senior division winner. This invested fund will provide resources in perpetuity to pay for what will be called the Hilton Head International Piano Competition Mona Huff Recital at Carnegie Hall.

In addition to the pride Mona has for this special HHIPC winner award, we all know of Mona’s lifetime association with New York City, and her personal connections with Carnegie Hall.

We plan to announce this fund during the March 14, 2022, competition finals and hope to have all—or almost all—of the required funds committed. Please consider making a special contribution to this new fund. Gifts of \$10,000, \$5,000, \$2,500, or other amounts may be paid in one or two installments between now and June 30, 2023. All donors will be recognized in future publications.

Thank you for considering being a part of this special (and secret—we want to surprise Mona on March 14th!) effort.
