## ANNOUNCING THE JIM WAY BASS TROMBONE CHAIR FUND

On several occasions, Jim Way was hired to play the bass trombone part on euphonium with the HHSO. It only seems fitting that a tribute to him would involve that chair in the Orchestra.

The HHSO has already received several donations in Jim's memory, and others have inquired about a tribute. We are certain many patrons would find participating in a campaign to honor Jim appropriate and fitting.

Members of the Hilton Head Symphony Orchestra's extended family are invited to help in creating the Jim Way Bass Trombone Chair Fund. Our goal of raising \$250,000 to create a permanent endowment to perpetually fund this position is ambitious; however, Jim's impact and dedication have been felt by generations of HHSO fans.

Thank you for considering being a part of this special effort.
